A Member who is hired after January 1, 2015 becomes eligible for insurance under the Policy on the day the Member begins Active Employment.

## **ADDITIONAL COVERAGE REQUIREMENT**

An eligible Member must have life insurance coverage maintained by the Policyholder and issued by Us to become insured under this Policy. If an eligible Member does not elect life insurance coverage maintained by the Policyholder, the Member may not elect coverage under this Policy. If an eligible Member's life insurance coverage maintained by the Policyholder ends, insurance under this Policy also ends.

## CONTINUITY OF COVERAGE

If this Policy replaces a Prior Plan that contained a provision allowing for continuation of coverage due to Total Disability without payment of premium (the "Prior Plan's Continuation Provision"), this Policy will provide accidental death and dismemberment coverage, subject to all of the conditions below, for a Member who:

- a) was insured under the Prior Plan on the last day it was in effect;
- b) is otherwise eligible under this Policy, but is not Actively Employed on this Policy's effective date due to Injury or Sickness;
- c) was eligible for continuation of coverage under the Prior Plan's Continuation Provision, but has been denied continuation of coverage under the Prior Plan's Continuation Provision after exhausting all reasonable attempts to apply for such continued coverage;
- d) is not a retired Member, unless this Policy provides coverage for retired Members; and
- e) is not Totally Disabled on this Policy's effective date.

This Continuity of Coverage provision is subject to the following additional conditions:

- a) coverage under this Policy will not exceed the Member's amount of coverage under the Prior Plan on the last day it was in effect;
- b) the Policyholder must notify Us in writing prior to the effective date of this Policy of the Member's amount of coverage under the Prior Plan on the last day it was in effect;
- c) coverage is subject to uninterrupted payment of premium to Us; and
- d) coverage is subject to any reductions shown in the Schedule of this Certificate and all other terms and conditions of this Policy.

We reserve the right to request any information We need from the Policyholder or Participating Employer to determine whether a Member has satisfied the conditions necessary to be eligible for coverage under this Continuity of Coverage provision. If We do not receive such information or determine that the conditions necessary to be eligible for coverage under this Continuity of Coverage provision have not been satisfied, coverage will not be provided under this provision.

Coverage under this Continuity of Coverage provision ends on the earliest of:

- a) the date the Member begins Active Employment for the Policyholder or Participating Employer or full-time employment with any other employer;
- b) the last day the Member would have been covered under the Prior Plan, had the Prior Plan not terminated;
- c) the date the Member's insurance under this Policy terminates for any reason shown under the When Member Insurance Ends provision; or
- d) the last day of the Policy month following a period of 12 consecutive months after the effective date of this Policy.

## WHEN MEMBER INSURANCE BEGINS

When the Policyholder or Participating Employer pays 100% of the cost of the Member's insurance under the Policy, the Member will become insured on the later of the date:

- a) the Member satisfies the Eligibility Waiting Period; or
- b) We approve Evidence of Good Health, if required;

provided the Member is Actively Employed on that date. If the Member is not Actively Employed on that date, insurance will begin on the date the Member returns to Active Employment.

When the Member and the Policyholder or Participating Employer share in the cost of the Member's insurance or, when the Member pays 100% of the cost of Member insurance, the Member must request insurance by properly completing and signing an enrollment form acceptable to Us and submitting this form to the Policyholder (who will then submit the form to Us) within 31 days following the day the Member becomes eligible for the Policy.

The Member will become insured on the later of the day:

- a) the Member becomes eligible; or
- b) the Member's enrollment form, acceptable to Us, is properly completed and signed;

and, if required, We approve Evidence of Good Health provided the Member is Actively Employed on that date. If the Member is not Actively Employed on that date, insurance will begin on the date the Member returns to Active Employment.

If a Member was eligible for group accidental death and dismemberment insurance under a Prior Plan immediately prior to the effective date of this Policy, but did not elect insurance under such plan, the Member may enroll for insurance under this

Policy if the Member is otherwise eligible and provides Us with Evidence of Good Health. Insurance will begin on the day We determine such evidence is acceptable, provided the Member is Actively Employed on that date. If the Member is not Actively Employed on that date, insurance will begin on the day the Member returns to Active Employment.

## **CHANGES IN THE AMOUNT OF YOUR INSURANCE**

### **Decrease in the Amount of Your Insurance**

Regardless of whether or not You are Actively Employed at the time, any decrease in the amount of insurance will take effect on the first day of the month which follows the day of the decrease.

The amount of insurance cannot be decreased to an amount less than any plan minimums shown in the Schedule of this Certificate. Any reductions due to age as shown in the Schedule in this Certificate will apply.

### **Increase in the Amount of Your Insurance**

You cannot request an increase to the amount of Your insurance unless You are Actively Employed on the day You submit such request. We will use the Policyholder or Participating Employer's payroll records and the premium We have received to determine the appropriate insurance amount.

Any increase in the amount of Your insurance will take effect on the later of the first day of the month which follows the day:

- a) of the change; or
- b) the first day of the month which follows the day We approve Your Evidence of Good Health, if required by Us.

If You are not Actively Employed on the day the increase in insurance would otherwise take effect, the increase will become effective the day You return to Active Employment.

## **REINSTATEMENT OF MEMBER INSURANCE**

A Member may be eligible to reinstate insurance that has ended. A written request for reinstatement must be submitted to Us. The reinstated insurance will take effect on the first day of the month that follows the date We approve the Member's written request, provided the Member is Actively Employed on the date the insurance would take effect.

The following reinstatement options are available and are each subject to the conditions described in the following paragraphs:

- a) Non-Payment of Premium;
- b) Involuntary Reduction in Hours; and
- c) Rehired Employee.

### **Non-payment of Premium**

If insurance ended due to non-payment of premiums, We will require Evidence of Good Health, acceptable to Us, to reinstate Your insurance.

### **Involuntary Reduction in Hours**

If insurance ended because the Member is no longer Actively Employed due to an involuntary reduction of hours worked, the Member's insurance may be reinstated without satisfying another Eligibility Waiting Period if the Member returns to Active Employment and there was no break in employment with the Policyholder or Participating Employer after the date insurance ended.

We will require Evidence of Good Health if the amount of insurance being requested exceeds the amount of coverage in effect on the Member's last day of Active Employment.

### **Rehired Member**

If insurance ended because the Member is no longer Actively Employed due to termination of employment with the Policyholder, the Member's insurance may be reinstated without satisfying another Eligibility Waiting Period if the Member is rehired and becomes Actively Employed within 90 days from the date employment ended.

We will require Evidence of Good Health acceptable to Us if the amount of insurance being requested exceeds the amount of insurance in effect on the Member's last day of Active Employment.

If employment terminated due to a military leave, the Member is eligible to reinstate insurance up to the amount in effect on the last day of Active Employment upon return to Active Employment immediately after discharge from active duty, provided the Member meets the eligibility requirements of the Policy.

## **WHEN MEMBER INSURANCE ENDS**

Insurance will end on the earliest of the day:

- a) the Policy terminates;
- b) You are no longer Actively Employed;
- c) You do not satisfy the Additional Coverage Requirement;
- d) You do not satisfy any other eligibility conditions described in this Certificate;
- e) any applicable premium contribution is due and unpaid; or
- f) You enter the Armed Forces, National Guard or Reserves of any state or country on active duty (except for temporary active duty of two weeks or less).

## **EXCEPTIONS TO WHEN MEMBER INSURANCE ENDS**

If You are no longer Actively Employed, You may be eligible to continue insurance under one of the following continuation options. The conditions for each continuation option are described within each provision.

For accidental death and dismemberment insurance: Layoff or Leave of Absence

## **LAYOFF OR LEAVE OF ABSENCE**

You may be able to continue accidental death and dismemberment insurance under this provision for 12 weeks from the day You are no longer Actively Employed in the event of an involuntary layoff or personal leave of absence approved by the Policyholder.

Under this provision, insurance will continue subject to the following conditions:

- a) We must continue to receive uninterrupted premium payment;
- b) the Policyholder may be able to continue Your accidental death and dismemberment insurance for up to 12 months if You are no longer Actively Employed due to Injury or Sickness;
- c) We must receive written notification from the Policyholder or Participating Employer within 31 days from the date You are no longer Actively Employed; and
- d) the amount of insurance will not be increased while You are laid off or on an approved leave of absence.

Insurance under this provision will end on the earliest of the day:

- a) the Policy terminates;
- b) any applicable premium contribution is due and unpaid;
- c) before You enter the Armed Forces, National Guard or Reserves of any state or country on active duty (except for temporary active duty of two weeks or less); or
- d) You return to Active Employment or begin employment with an employer other than the Policyholder or Participating Employer; or
- e) Your insurance would otherwise end under the Policy.

If state law requires an employer to allow a leave of absence related to pregnancy, childbirth, or adoption, We will continue insurance during that leave period subject to the terms and conditions of this Policy. Contact Your employer to determine whether or not You are eligible for this type of leave.

#### **CONTINUATION OF INSURANCE UNDER FAMILY AND MEDICAL LEAVE – FOR REFERENCE ONLY**

The federal Family Medical Leave Act of 1993 (FMLA) and any amendments thereto as well as certain state statutes provide continuation of coverage in certain instances for leaves of absence. You may be eligible for continued coverage under FMLA and/or any state family medical leave laws. You should check with Your employer for additional information regarding the continued coverage that may be available to You. Any continued coverage for family medical leave will not exceed the continued coverage provided by FMLA and/or state required family medical leave. Any family medical leave continuation is subject to all terms and conditions of the Policy, including, without limitation, payment of premium and eligibility. Any continued coverage will end in accordance with the When Member Insurance Ends provision in Your Certificate.

Such notice of incomplete information will be sent within the time periods set forth below.

In order for Us to continue processing the claim, the missing information must be provided to Us within the time periods set forth below. The Claimant may contact Us at any time for additional details about the processing of the claim.

### **INITIAL CLAIM DECISION**

The period of time within which a claim decision will be made begins at the time the claim is filed, without regard to whether all the information necessary to make a claim decision accompanies the filing. The applicable time periods are shown below:

- a) Initial claim decision period: 90 days
- b) Extension period: 90 days

If additional information is needed, We will notify the Claimant within 15 days of Our receipt of the claim. Once the Claimant receives Our request for additional information, the Claimant will be given no less than 30 days to submit the additional information to Us. We will make Our determination within 60 days of Our receipt of the additional information. If We do not receive the additional information within the specified time period, We will make Our determination based upon the available information.

### **CLAIM DENIALS**

If a request for a claim is denied, in whole or in part, the Claimant will receive notice of the denial, which will include:

- a) the specific reason(s) for the denial;
- b) reference to the specific Policy provisions on which the denial is based;

- c) a description of the appeal procedures and time limits applicable to such procedures, including the right to request an appeal within 60 days and the right to bring a civil action following the appeal process; and
- d) any other information which may be required under state or federal laws and regulations.

Additionally, if an internal rule, guideline, protocol or other similar criterion was relied upon in making the Adverse Benefit Determination, the Claimant has the right to request information about such internal rule, guideline, protocol or other similar criterion that was used in making the Adverse Benefit Determination, free of charge.

## **OPPORTUNITY TO REQUEST AN APPEAL**

The Claimant shall have a reasonable opportunity to appeal a claim review decision. As part of the appeal, there will be a full and fair review of the claim review decision.

The Claimant will have no later than 60 days from the Claimant's receipt of notification of Our claim review decision to submit a request for an appeal. The request for an appeal should include:

- a) the Insured Person's name;
- b) the name of the person filing the appeal if different from the Claimant;
- c) the Policy number; and
- d) the nature of the appeal.

The request for an appeal can be submitted in any manner and should include any additional information that may have been omitted from Our review or that should be considered by Us. The notification regarding Our claim review decision will include instructions on how and where to submit an appeal.

By requesting an appeal, the Claimant has authorized Us, or anyone designated by Us, to review any and all records (including, but not limited to, medical records) which We determine may be relevant to the appeal.

## **RESPONSE TO APPEALS**

We will respond no later than 60 days from Our receipt of the request for an appeal. However, if We determine that an extension is required, We will notify the Claimant in writing of the extension prior to the termination of the initial appeal period. In no event will the extension exceed 60 days from the end of the initial appeal period. The extension notice will indicate the special circumstances requiring the extension and the date by which We expect to render the appeal decision.

When We make Our determination, the Claimant will be provided with:

- a) information regarding the decision; and
- b) information regarding other internal or external appeal or dispute resolution alternatives, including any required state mandated appeal rights.

The period of time within which an appeal decision is required to be made will begin at the time an appeal is filed, without regard to whether all the information necessary to make an appeal decision accompanies the filing. If a period of time is extended as described above due to the Claimant's failure to submit information necessary to decide a claim, the period for making the appeal decision shall be "tolled" or suspended from the date on which the extension notice is sent until the earlier of (1) the date on which We receive the response; or (2) the date established by Us in the notice of extension for the furnishing of the requested information.

## **STANDARD PROVISIONS**

### **INSURANCE CONTRACT**

The insurance contract consists of:

- a) the Policy;
- b) the Policyholder's application attached to the Policy; and
- c) any application for You.

### **CHANGES IN THE INSURANCE CONTRACT**

The insurance contract may be changed (including reducing or terminating benefits or increasing premium costs) any time We and the Policyholder both agree to a change. No one else has the authority to change the insurance contract. A change in the insurance contract:

- a) does not require the consent of any Insured Person or beneficiary; and
- b) must be:
  - 1. in writing;
  - 2. made a part of the Policy; and
  - 3. signed by one of Our officers.

A change may affect any class of Insured Persons, including retirees if retired coverage is included in the Policy.

### **APPLICATIONS**

We may use misstatements or omissions in the application of an Insured Person to contest the validity of insurance, reduce coverage or deny a claim, but We must first furnish You or Your beneficiary with a copy of that application. We will not use a person's application to contest or reduce insurance which has been in force for two years or more during that person's lifetime and in no event, unless it is in a written instrument signed by them. However, if You are not eligible for insurance, there is no time limit on Our right to contest insurance or deny a claim.

Statements in an application are treated as representations, not as warranties.

### **LEGAL ACTIONS**

No legal action can be brought until at least 60 days after We have been given written proof of loss. No legal action can be brought more than three years after the date written proof of loss is required.
